**Market Our Business and Support Your Community**

We offer several levels of sponsorship for promoting your company with the Puerto Plata Salsa Congress Sponsor Opportunities, Levels and Benefits

Puerto Plata Village – Puerto Plata Dominican Republic

Your audience - salsa dancers - are doctors, engineers, students, mothers, attorneys, business owners and the list goes on! You can market products and services to this captive audience that includes every nationality, country and age group.

We expect to attract a larger crowd each year as the event grows. Our goal is to help support and promote the salsa professionals that are located in the Dominican Republic.
